

NEVADA WOMEN'S PHILANTHROPY

reinventing community giving

2021 Salvation Army Collection:

As part of our tradition of celebrating NWP's 10-year Impact Grant Recipient, we will be hosting an item drive for the benefit of The Salvation Army and its programs, which will run through May 11th, 2021.

For 75 years, The Salvation Army of Southern Nevada has provided for the most basic requirements of our community members in need. Programs to provide food, shelter, counseling, childcare and much more to vulnerable families, seniors, veterans and the homeless; to those struggling with addiction and mental health issues; and to victims of abuse and exploitation are the hallmark of The Salvation Army's work. NWP was delighted to award our Impact Grant to The Salvation Army of Southern Nevada in 2011. SASN used the money to re-roof and rehabilitate the 12,500 square-foot emergency overnight shelter at its five-acre Owens Campus resulting in an increase of its overnight capacity and 120 beds for approximately 75 men and 45 women every night.

As we celebrate the 10th anniversary of this grant, NWP members will receive a video update from The Salvation Army at the Annual Meeting on April 27th. In the weeks before and after the meeting, NWP members are invited to participate in the Annual Meeting drive to benefit the many worthwhile programs run by The Salvation Army.
