

HOW TO HELP MORE NEVADA CHILDREN SMILE IN HEALTH!

Hi, my name is Mary Vilaysing,
 I'm a 4th grade student at Hollingsworth Elementary School.
 I've been seeing the dental hygienist at my school since I was
 in pre-kindergarten. Because of Future Smiles, I am cavity free,
 smiling every day and thriving in school.

Thank you for this amazing program!

Future Smiles is a registered 501c3 not-for-profit organization. All programs are funded through private donation, sponsorship and state or local grants. All donations are tax deductible Tax ID: 27-3160598
