Volunteer Opportunities

NWP members are invited to join Goodwill and help job seekers across a diverse menu of programs serving youth and adults.

Conduct Mock Interviews

Help job seekers (youth or adults) gain the confidence they need by obtaining valuable interviewing skills that will make them more competitive on the job market. Mock interviews are typically held weekly in three-hour blocks.

Assist Job Seekers in a Career Connections Center Resource Room

Assist participants with filling out online job applications, sending faxes/emails, creating online email accounts and answering job seeker's questions. The Centers are open to the public Monday through Thursday, 9 a.m. to 4 p.m., and Fridays, 9 a.m. to 12 p.m.

Teach a Class

Help our job seekers (youth or adults) gain insights on your specific field of expertise and your industry-specific career pathway, from Customer Service to Marketing, and many other fields.

Community Service Opportunities for Children and Youth

Goodwill can carve out customized community service projects that can be conveniently completed outside of a Goodwill facility.
