reinventing community giving

2019 Impact Grant Application

[Nevada Women's Philanthropy \(NWP\)](#) is a member-driven, pooled-fund, large impact grant-making organization established in 2005 to address the needs of the greater Las Vegas Community. NWP's membership consists of philanthropically motivated women, united by a powerful desire to address emerging issues facing our community in the areas of arts, education environment, social services and health. NWP has invested close to \$4.95 million with 23 nonprofit organizations in Southern Nevada to date. NWP impact grant applications are thoroughly vetted down to two finalists. The recipient is decided by majority vote of our entire membership after the Impact Grant Hearing Presentations.

NWP will consider projects that:

- provide services to an expanded client base in alignment with agency mission
- provide a new service to the agency's client base
- are ready for implementation within one year of becoming grant recipient
- demonstrate a plan to sustain the project beyond NWP grant funds

Applicants must:

- be 501(c)3 public charities that do not discriminate or proselytize
- demonstrate a strong Southern Nevada connection (i.e., history of operation locally, a local board/representatives, local and diversified funding sources)
- have operated in Southern Nevada for a minimum of four (4) years and provide three (3) years of audited financial statements
- demonstrate the ability to financially manage a large-scale grant (e.g., a minimum annual agency revenue of \$100,000)
- not be an NWP grant recipient in the past seven grant cycles or a Founders Gift recipient in the past grant cycle

This grant should:

- represent at least 30% of the proposed project (larger percentages preferred)
- impact a Southern Nevada population
- be aligned with the agency's stated mission

NWP Outreach Committee will hold a Impact Grant Symposium to share our organizational goals and grant making process with the community on **October 11, 2018**. NWP members will be available to answer questions at the Symposium. For additional information visit our website, www.nwpsnv.org or with questions email Outreach@nwpsnv.org.
